

Congregation Shaar Hashalom

2010 Oneg Sponsor Information.

Thank you for sponsoring an oneg. Onegs are an important part of our Shabbat Services. They provide time for our synagogue family to eat and enjoy each other's company.

It is our goal to make the sponsoring of onegs as simple as possible. There are two options.

CSH provides complimentary wine and grape juice, challah, paper goods, coffee, tea, and utensils.

Option 1- Friday night- Use the baked good donated by Randalls, supplement if you choose. Provide food for Kiddush luncheon and do your own set up and clean up. If you prefer to do your own setup and cleanup, you are responsible for maintaining both the kitchen and social hall on Friday and Saturday. This includes the following: put food, challah, wine, and grape juice on trays and set out in the social hall; make and set out coffee, tea, and lemonade; wash and put away all dishes and towels; dispose of leftover food (not to be left in refrigerator or put into freezer); take out trash; sweep floors; and return tables and chairs to their original configuration.

Option 2- Same as option 1 except pay for set up and clean up. The fee for setup and clean up is \$25 per day to be paid to the synagogue. Please put the date of your oneg is the memo line of your check.

Food Choices

On Friday night, baked goods are donated by Randalls. You can add to these baked goods. Suggestions- fruit, cheese and crackers, chips, etc.

Jason's Deli online ordering is a simple way to cater onegs. Their menu is online, you can pay with a credit card and they can deliver the synagogue between 10-2 on Friday.

Please remember when ordering that we cannot have any meat products.

Order/Payment Submission

Regardless of which food and cleanup options you choose, please submit your order and payment at least 1 week before the oneg date, and inform the office of your selections. Your date can be reserved online at www.shaarhashalom.org/oneg, by e-mailing oneg@shaarhashalom.org, or by calling the office.
